WE ALL KNOW THE SAYING VERY WELL THAT, "HEALTH IS WEALTH".

Ayurveda is the ancient Indian system of natural and holistic medicine. When translated from Sanskrit, Ayurveda means "the science of life" (the Sanskrit root Ayur means "longevity" or "life" and Veda means "science"). Ayurveda provides us with the knowledge of how to prevent disease and how to eliminate its root cause if it does occur. I don't think there might be any other such option do we have to nourish our Body.

BIZZWAY BUSINESS PLAN

Bizzway Business Plan is a business opportunity that allows you to set up your own business to distribute products by creating and training a team to future your reach. Incentives are paid on the sales of products. Bizzway Ayurveda Private Limited offers a rewarding system of compensation to those who invest their efforts in the business. Let's understand how you earn while you grow your Bizzway business.

Anybody who wants to start an independent business can become an Independent Distributor of Bizzway Ayurveda Private Limited. To become an Independent Distributor, one has to register himself / herself as a customer with the company by filling a simple registration form free of cost and purchase products for personal consumption.

Once a customer is satisfied with the quality of Bizzway products, he / she may refer these products to prospect customers and earn financial benefits in the form of incentives and rewards. To earn these incentives and rewards, customer has to become an Independent Distributor by accepting the contract and has to abide by the terms & conditions of Bizzway Ayurveda Private Limited.

01. RETAIL PROFIT (UP to 40%)

Selling products directly to the customers is the first step to success and building a solid foundation for their business. Retail Selling is the surest method of earning immediate income even as you build a long-term business and satisfied customers. Retail profit is the margin between the prices at which the Independent Distributors purchase the products (Distributor Price / DP) and the prices at which these products are sold (Maximum Retail Price / MRP). Independent Distributors in Bizzway can earn Retail profit of up to 40% on MRP of the products.

For Example: Every product in portfolio of Bizzway has a MRP & Distributor Price (DP). If a product has a MRP Rs. 1500/-, Independent Distributors can purchase the same products on DP which is Rs. 900/- and may resell the same product on MRP and earn Rs. 600/- (i.e 40% profit) on reselling the product.

Retail Profit = MRP - DP

MRP = 1500

DP = 900

Retail Profit = 1500 - 900 = 600/-

40% Retail Profit

NOTES:

- DP is referred as Distributor Price
- MRP is referred as Maximum Retail Price
- Retail Profit is not calculated and paid by the company.
- Company reserves the right to further give discount on any product below DP.
